Ingredients of the gluten-free lángos dough (1 portion of dough – 200 g):
 Schar flour mix (cornstarch, rice flour, vegetable fiber, whole grain rice flour, lentil flour, dextrose, thickener: hydroxypropyl methylcellulose, salt), yeast (gluten-free), water, sugar, salt, sunflower oil. The lángos dough does not contain dairy products. Due to separate preparation, the cooking time is longer than for traditional lángos. Thank you for your patience!

Attention! Our gluten-free lángos is prepared in a separate kitchen area using dedicated equipment. Our staff pays close attention to avoiding cross-contamination and receives regular training on this. However, since other gluten-containing foods are also prepared in our restaurant, traces of gluten may be present in the air due to airborne wheat flour. For more detailed information, please ask our staff.
